

Strength in Access, Excellence in Security

Access Hardware Holdings – Your Trusted Access Control Partner

dormakaba 

Exclusive Partner

About Access Hardware Holdings

Access Hardware Holdings is the exclusive partner of dormakaba in Sub-Sahara Africa, bringing over 30 years of combined expertise in access control solutions. We continue to offer and support the full range of dormakaba products and solutions that our customers know and trust. Now, as a locally owned and operated company, we are better equipped to meet the unique security needs of the African market with enhanced flexibility and responsiveness.

Our comprehensive solutions include premium door hardware, automated entrance systems, electronic access control, and master key systems—all designed to provide seamless security and convenience. Supported by expert specifications and service teams. We are dedicated to ensure a smooth and secure experience every step of the way.

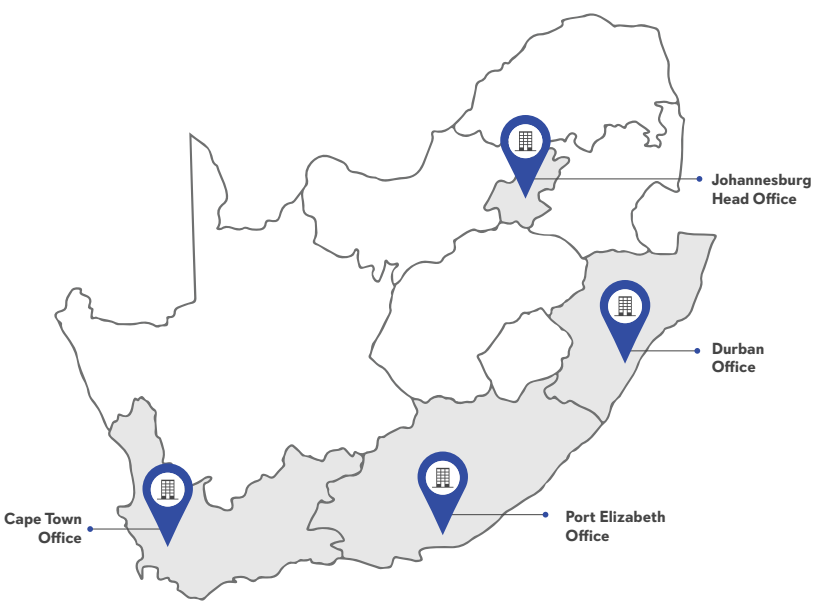

At Access Hardware Holdings, we combine global innovation with local expertise to deliver reliable and future-ready access solutions.

Our Presence

Access Hardware Holdings operates from our head office and distribution center in Kya Sands, Johannesburg, with a strong presence across major regions in South Africa.

Additionally, we have established key partnerships in Central and Eastern Africa to extend our reach and support.

Distribution Regions

We proudly partner with merchants across Southern, Central and Eastern Africa, ensuring reliable access to world-class products and solutions

Company Structure

Access Hardware Holdings, as the parent company, provides strategic oversight to our specialized subsidiaries, ensuring a cohesive approach to access control and security. Our expertise encompasses Architectural Hardware, Access Control Solutions, Automated Access Solutions, and Movable Wall Solutions.

Industries

With such a diverse portfolio of products, we can tailor industry-specific solutions to meet the unique access control

Residential

Peace of Mind for Your Home

Our advanced access solutions provide security and convenience, ensuring you feel safe and protected within your home.

Commercial

Secure and Adaptable Workplaces

Transform your business with integrated access systems that enhance security, efficiency, and flexibility. Our solutions promote seamless people flow, creating productive and dynamic work environments.

Hospitality

Enhancing Guest Experiences

From boutique guesthouses to luxury hotels, our digital check-in and automated access systems ensure a smooth and secure guest experience from arrival to departure. We provide end-to-end support, from planning to full-scale operations.

Healthcare

Optimized Safety and Efficiency

We design tailored access solutions for hospitals, clinics, nursing homes, and medical facilities, ensuring patient safety, streamlined workflows, and compliance with complex healthcare regulations.

Airports

Seamless Passenger Journeys

Our automated airport solutions enhance security, optimize passenger flow, and streamline operations, ensuring a smooth travel experience from check-in to boarding.

Education

Safe and Efficient Learning Environments

Our access solutions secure schools and universities, facilitating controlled entry and movement while promoting a safe, productive educational experience for students, staff, and visitors.

Retail

Smart, Secure, and Seamless Shopping

Enhance your retail space with intelligent access solutions, including efficient entry and exit management, panic hardware, and security systems that safeguard both customers and staff.

Transport & Logistics

Streamlined Access for Complex Operations

The fast-paced world of transport and logistics demands reliable, scalable, and intelligent access control solutions. Whether managing the flow of goods or the movement of people, our advanced systems provide the security and efficiency needed to safeguard assets and improve operations.

Specifications and Services

At Access Hardware Holdings, we are with you every step of the way—from planning and installation to after sales support and maintenance. Our expertise ensures that your building entry systems are secure, efficient, and perfectly suited to your needs.

Specification Support

Our specification experts bring unmatched industry knowledge across a wide range of access solutions, delivering sustainable, well-coordinated systems that enhance security, safety, and usability.

We provide tailored support to architects, designers, contractors, and end users, ensuring seamless integration of access solutions into diverse projects.

With extensive expertise in industry standards and practical product knowledge, we follow a “right-first-time” approach—helping you comply with legal, environmental, building and fire regulations whilst meeting cost requirements. Our solutions are designed to optimize efficiency, ensuring compliance while addressing the unique needs of each project.

Our dedicated projects team offers expert technical support throughout the construction phase, ensuring that products and solutions are supplied and installed precisely to specification.

Service Support

Technicians:
Whether you need routine maintenance, upgrades, or urgent repairs, our strategically located team of technicians ensures that your doors and access systems operate smoothly, securely, and without interruption.

After-Sales Support:
We offer ongoing maintenance, troubleshooting, and customer support to ensure continued satisfaction and optimal system performance.

Service Plans:
Tailored Service Level Agreement (SLA) plans are designed to meet your specific maintenance and repair needs. Whether you require routine upkeep, priority support, or comprehensive coverage, we have a plan to keep your access systems operating at their best.

Leading Brands

We work with leading brands in the access control industry to deliver cutting-edge technology and secure solutions:

Exclusive Partner

Industry Affiliates:

International Organization for Standardization Certified
ISO is an independent, non-governmental international organization. It brings global experts together to agree on the best ways of doing things.

- ISO 9001 : 2015
- ISO 14001 : 2015
- ISO 45001 : 2018

South African Institute of Architects
South African Institute of Architects (SAIA) is the leading voice of the architectural profession. Reconstituted in 2015, SAIA promotes excellence, responsible design, and industry integrity.

LASA
Locksmith’s Association of South Africa (LASA), the official representative body for the locksmithing industry. Regulated under the Private Security Industry Regulatory Authority (PSIRA), LASA upholds industry standards and security regulations, ensuring the responsible use of key-cutting and locksmithing tools.

AAAMSA
Access Hardware Holdings is a proud member of the Association of Architectural Aluminium Manufacturers of South Africa (AAAMSA). Established in 1974, AAAMSA promotes industry standards and supports manufacturers and installers of architectural aluminium structures.

Our Values

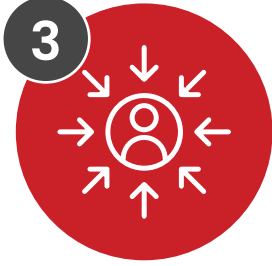

At Access Hardware Holdings, we pride ourselves on practicing our core values every day, driving the culture of our company and ensuring exceptional service and commitment to our customers and partners.

COURAGE
Development thrives on trust and openness to change. We value the courage to express clear opinions, make bold decisions, and take initiative. Embracing mistakes as opportunities to learn, we push the boundaries of innovation.

CURIOSITY
Smart solutions best prosper in a trusting and inspiring environment with plenty of room for curiosity and innovative ideas. We maintain an open mind and a non-judgmental attitude, constantly questioning, discussing, and learning something new every day.

CUSTOMER FIRST
Our customers’ satisfaction is our benchmark. We listen closely to their needs, provide competent advice, and deliver smart, secure solutions that build trust and support long-term relationships.

PERFORMANCE
Striving to be the best in our industry, we go the extra mile by setting high standards for access control, quality, and reliability. As a unified team, we provide our customers with peace of mind, knowing they are in expert hands.

TRUST
Trust is the foundation of our success. At Access Hardware Holdings, we are one team, committed to supporting one another, learning, and treating each other with honesty, respect, and appreciation. Trust is built continuously through genuine exchanges with colleagues, customers, and partners.
