Door Hardware made simple

Choosing door hardware shouldn't be complicated. **Access Kits** simplify specification, ordering, and installation by providing all the essential hardware for a complete door solution in one convenient box.

Whether you're fitting out a bedroom, study, bathroom, or entrance door, simply select your preferred style and finish, and you're ready to go.

What do you get?

Designed for one-door convenience, each **Access Kit** includes a combination of the following components, depending on the kit selected:

- Lever Handle
- Escutcheons
- Cylinder
- Hinges
- Lock
- Door Stop
- Door Closer

Why choose an Access Kit?

- Complete door hardware solution in one box
- Matching hardware for a consistent finish
- Ideal for residential and development projects
- Faster specification and ordering
- Available in Black or Stainless Steel
- Reduced sourcing time and installation hassle

How It Works

1 Choose Your Door

- Entrance Door
- Bedroom Door
- Bathroom Door

2 Choose Your Finish

Stainless Steel

Matt Black

3 Choose Your Lever Handle Style

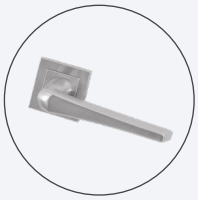

TH 120

TH 134

TH 125

DSQ 903

TH 132

4 Choose Your Door Stop

Wall Mounted

Floor Mounted

5 Add a Door Closer

Optional add on for Entrance doors kits.

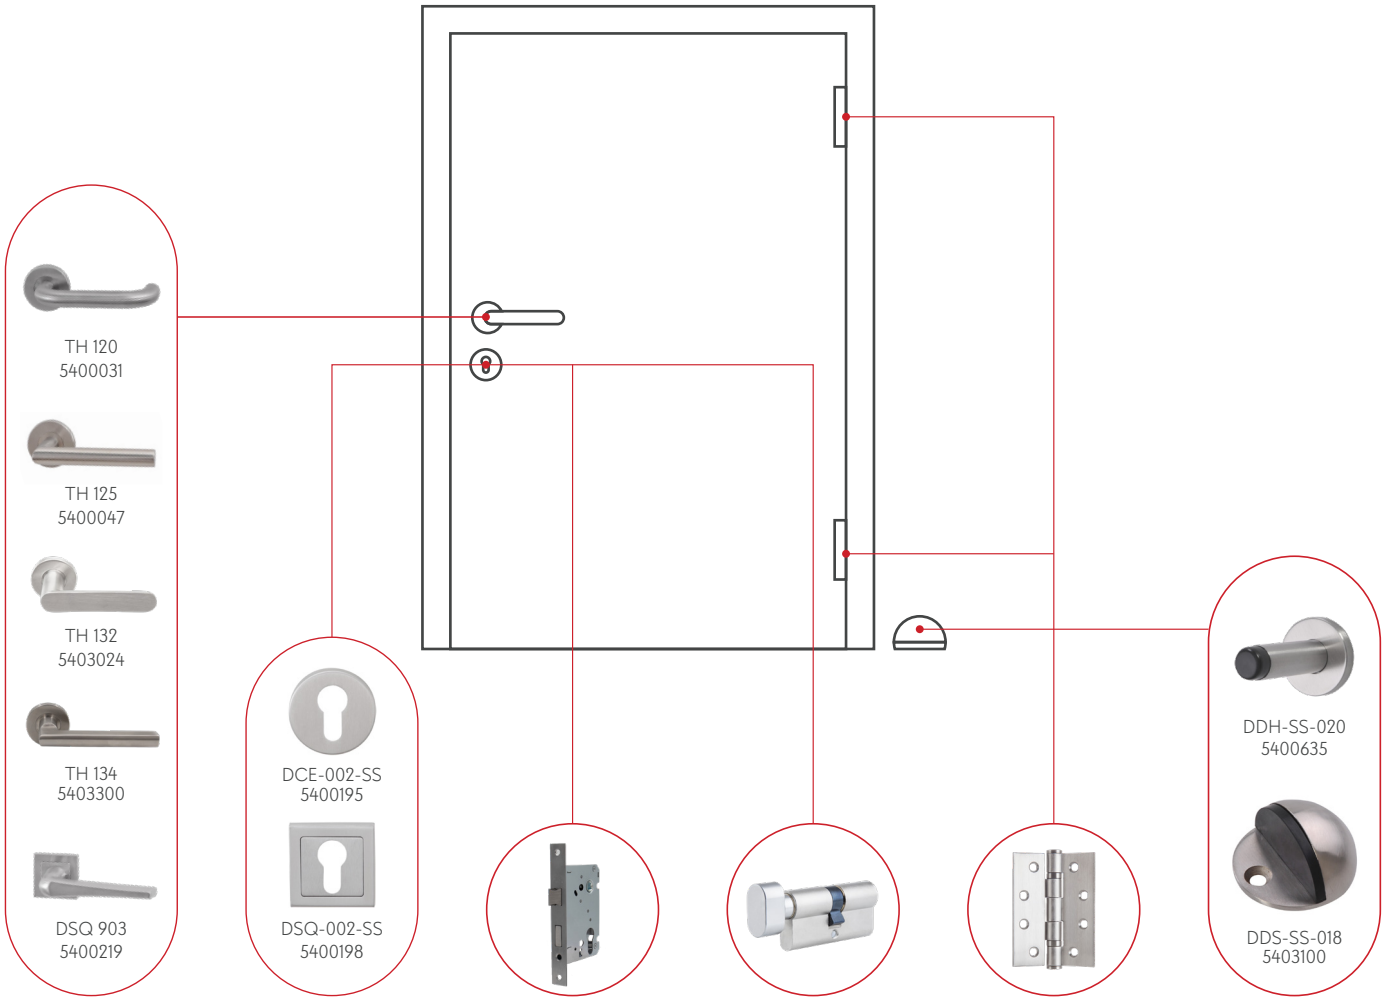

TS 77

6 Ready to Go!

Everything arrives together in one convenient box.

Entrance Door 1
